Armadillo Rodeo

Synopsis

When Bo spots what he thinks is a "rip-roarin', rootin'-tootin', shiny red armadillo," he knows what he has to do. Follow that armadillo! Bo leaves his mother and three brothers behind and takes off for a two-stepping, bronco-bucking adventure. Jan Brett turns her considerable talents toward the Texas countryside in this amusing story of an armadillo on his own.

Brett (The Wild Christmas Reindeer; Trouble with Trolls) here gives her trademark, exquisitely detailed art a Western flair as she sets this endearing tale "deep in the heart of Texas hill country." "Don't go gettin' distracted on me," a mother armadillo cautions Bo, one of her four young 'uns. Undeterred, the ever-curious Bo follows a lizard down to the creek just as young Harmony Jean slides down the bank, trying to scuff up her brand-new "pointy-toed, high-heeled, hand-tooled chili-pepper red boots with fancy cutwork, tall tops, and a Curly H brand." Bo (who, like all armadillos, can't see very well) mistakes the boots for a shiny red armadillo, whom he greets with a friendly "Howdy." Impeccably reproducing the design, stitching and trims of Western clothing, border panels follow Bo's brothers and Ma as they search for their weak-eyed wanderer. He, meanwhile, is having the time of his life at the Curly H rodeo, where he rides on the back of Harmony Jean's

horse, munches on a jalapeño pepper under a table and kicks up his heels at a barn dance—all in the company of his new "friend." The high-spirited hero and action-filled art will please the author/artist's many fans. Ages 4-8. Grade 1-3? Every icon associated with Texas mythos is incorporated into Brett's latest picture book: boots and spurs, cactus and bluebonnets, barrel racing and bull riding, Bar-B-Q and hot peppers, and...armadillos! Weak-sighted Bo, a baby 'dillo, mistakes one of Harmony Jean's new red boots as a potential friend and follows it throughout a busy day, while his ma and brothers search for him in all the wrong places. By day's end, Bo has ridden horseback, sampled the jalapeños, two-stepped at the barn dance, and been rescued by his mother. Brett's distinctive style shines in these joyous pictures filled with the excitement and fun of a day at the rodeo. Each double-page spread is framed by a lariat and decorated with side vignettes of tooled leather depicting offstage events. A delightful addition to the artist's canon. ?Ruth Semrau, formerly at Lovejoy School, Allen, TX Copyright 1995 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.
