Hi!! got this book from .com a few weeks ago and it is great. It includes songs from classic Broadway shows -familiar shows and others not very known- and more recent plays, such as Spamalot, Thoroughly Modern Millie, Wicked and Urinetown. The print format is very spacey and the songs are quite accurate. Occasionally I've found little differences between the recorded tracks I own and what's written in the book, but I'm talking about one-two notes top. The book includes an introduction clearing a lot of things, which is worth reading, and an appendix about all the shows included with useful information (authors, directors, number of performances, premiere dates, as well as a context paragraph with the show's story line, so you can know what the songs included are about). I love this book. And I will keep on buying this series. Two things I want to clear that were a bit confusing for me when I bought it: 1. This book is just the sheet music. It does not include any CD or audio tape. 2. The list of songs is the one mentioned in the first reviews listed. I know there's a review for another book with the same song list, but those are the songs for this book. (This was highly confusing for me when I first bought this). Just in case, I'm re-copying the list of the songs included in this volume (Singer's Musical Theater Anthology, Volume 4, Mezzo-Soprano/belter, Blue Cover), so no one else gets confused.

If you have these books, you know what they are.

Excellent. Just what I needed. And on time.

Newer musicals. Great song choices!

Singing is wonderful and this book series cannot be beat in song variety and adaption quality.

I wish the publisher would have included the CD's accompaniment along with the song book. I had to purchase from another vendor. This process should be streamlined for convenience to the customer. My daughter likes the book all in all.

Perfect condition; arrived fast Great theatre songs in original keys Nice piano parts My girl loves it and is planning to audition with one of these numbers for college (vocal performance/musical theatre major)

I love having this for my one of my funner college courses in voice lessons
