"John Paul Thomas" is the pen name chosen by the author in honor of the apostles Saints John and Thomas and the great evangelist Saint Paul. This name also evokes the memory of the great Pope Saint John Paul II. John is the beloved apostle who sought out a deeply personal and intimate relationship with his Savior. Hopefully the writings in this book point us all to a deeply personal and intimate relationship with our God. May John be a model of this intimacy and love. Thomas is also a beloved apostle and close friend of Jesus but is well known for his lack of faith in Jesus' resurrection. Though he ultimately entered into a profound faith crying out, "my Lord and my God," he is given to us as a model of our own weakness of faith. Thomas should inspire us to always

return to faith when we realize we have doubted.

There are so many daily devotionals available, and I try to keep my pile small. I look for a devotional with a daily insight so clear it will recapture my attention several times throughout the day, so I can meditate on it as I work. I put this devotional on my kindle. It takes very little time to read each daily entry, and yes, the insights are engaging and enriching. I especially like December 20.

Loved this book....it was wonderful in helping my prayer and meditation time become much deeper.

Helped with the celebration of Christmas.

Beautiful meditations.
