## Synopsis

“Utterly original. Amanda Foody has a wicked imagination.”™ Stephanie Garber, New York Times bestselling author of *Caraval* Reality is in the eye of the beholder. Even among the many unusual members of the travelling circus that has always been her home sixteen year old Sorina stands apart as the only illusion-worker born in hundreds of years. This rare talent allows her to create illusions that others can see, feel and touch, with personalities all of their own. Her creations are her family, and together they make up the cast of the Festival’s Freak Show. But no matter how lifelike they may seem, her illusions are still just that—illusions, and not truly real. Or so she always believed—until one of them is murdered. Now she must unravel the horrifying truth before all her loved ones disappear.
