Baha'i Shrine and Gardens on Mount Carmel, Haifa, Israel: A Visual Journey

Beautiful showing of the Baha'i properties on Mt Carmel. Written by Israel Tourist Board and includes much information about these incredible terraces climbing to the top of the mountain. It also tells what happened to the Germans who moved to Haifa and built their homes and business at the foot of this mountain in the late 1800's. This was done in anticipation of Christ's return as they interpreted the Bible. Christ didn't return in the manner they expected and as they had sided with Germany in both world wars Israel deported them all out of the country.

This 'coffee table' book is beautifully done by the City of Haifa about the Shrine of the Bab and the Baha'i Gardens on Mount Carmel. The information about the Baha'i Faith is correct and the photos are property of the Faith, so I found it a useful tool to show to friends after I returned from Pilgrimage.

Wonderful!
