Customer Reviews

Very funny stuff from the Onion. They are the masters of sarcasm and irony. A quick read to find the next chuckle!

Many funny and amusing stories that capture the sarcastic side of romance very well. I enjoyed every story no lemons on that tree.

Ordered this for a friend and he absolutely loved it.

A little shorter than expected, but still awesome toilet reading

"The Onion" tells it all! Funny, witty, and snarky. Great little book. Got one and gave one as a gift.

Funny, some articles more so than others.

Best Onion book ever! Very perceptive

A collection of pieces from the Onion revolving around the topics of love and sex. Some are funny, some are outrageous, and some are not the least bit amusing.
