Moon Power: Lunar Rituals For Connecting With Your Inner Goddess

Synopsis

With *Moon Power*, women can connect with the primal, feminine lunar power. There was a time when the feminine and her guiding light, the Moon, were all-powerful. Men were seen primarily as consorts to the Great Goddess, as embodied in every woman. In these peaceful, agrarian societies, primal feminine powers - intuition, emotion, sexuality, creation, communion with nature - were honored. And the moon, which waxed and waned in predictable cycles, was a symbol for the birth, growth, death, and renewal of life on Earth. *Moon Power*'s 12 chapters each represents a moon sign. The introduction describes what's meant by Moon Power, provides some history about ancient moon worship, and explains why it went underground. The basics of moon phases and the meaning of new and full moons are explained. Simple rituals for connecting with the power of the moon are included. The book offers guidance on working with each sign as the moon passes through it (i.e. when the moon is in Aries, take assertive action, but watch impulsivity). Each chapter includes a profile of a powerful woman who typifies her lunar sign (Angelina Jolie, Aries Moon; Malala Yousafzai, Libra Moon). A Goddess and Power Animal for each moon sign and activities and rituals for connecting with their energy during certain moon phases are also provided. *Moon Power* will inspire women to recognize and develop their lunar nature. It will show them how, through reflection, ritual, and purposeful action, to understand their emotional nature and inner selves more deeply.

I love Simone Butler, and this just sent me over the Moon! What an amazing and useful book! It is full of great information and ideas to celebrate the wonderful comings and goings of the moon and all its influences! A long awaited addition to my monthly moon processing. Thank you Simone, you have done it again!

I have worked with Simone now for several years and her insightful and spot on insights into the dynamics that are working within me are sensitive and informative. The same is true for her new book Moon Power. I love the various sections on each moon sign and the depth and thought that she has given to this book. It is wonderful reading to better understand one's self as well and friends and family. I think this book is very timely as we are all processing new ways of being and having this information makes the journey so much easier. Well done and congrats Simone!

Oscar Wilde once said, "With freedom, books, flowers and the moon, who could not be happy?" Simone Butler has masterfully illuminated the mystery and the magic of Moon Power. I for one, am happy. Thank you. Joan K.

This is such a wonderful book! I highly recommend it for every goddess!
