All the Franciscan coloring books are great! It is so good to have some truly Catholic books like this. They are easy to lead someone to call her inexpensive and wonderful ways to help teach little ones about the faith

Perfect for keeping a 3 year old occupied in a Latin Mass.

Perfect addition to the DVD! We love brother Francis! Not cheesy and very educational in the faith!

This book is terrible. It doesn't even present Catholic basic beliefs correctly. It looks like someone just stuck a bunch of random pictures together and wrote some nice sounding words. Not an accurate portrayal of Catholic belief. I do not recommend this for children.

Content is a little awkward. Nice quality for the price though. Would recommend the Mass coloring book instead.
