Customer Reviews

As a published poet myself, I am always looking for a fresh new voice to read. I like poems that get to the nitty gritty, that pull no punches and tell it like it is. This is a collection that did just that. Some of the poems were more memorable than others to me, but all of them were average or above. This may not be flowery, pretty verse, but it is real, which is much more important to me.

I enjoyed this collection immensely and would recommend it to anyone searching for the nuances of love inside and outside of modern relationships. It's very hard to understand a person when you are in love with them (close up) but this collection gives great insight into a person who loves hard. I recommend it highly.

Some really good ones in there but a lot of them are very different from others. Read them all within a few hours.

When I got this book I did not realize it was a collection of poems, if I had I would not have bothered. I gave it 3* because poems are just not my cup of tea. I hope it is yours and you can enjoy.
