Buen Camino! Walk The Camino De Santiago With A Father And Daughter: A Physical Journey That Became A Spiritual Transformation

Synopsis

Have you ever dreamed about walking the Camino de Santiago? Join Peter Murtagh, acclaimed Irish journalist, and his teenage daughter Natasha on their epic pilgrimage across the Way of St James and experience their life-changing adventure with them. If you've ever wondered what a hike of 900 miles involves, physically and emotionally, look no further than Buen Camino! You will be transported to Northern Spain, to bull-running and fiestas, to prayers and ancient Christian churches, to a gruelling trek that leads to a spiritual transformation. You'll meet a motley crew of Camino pilgrims, stay with Peter and Natasha in Spartan hostels, learn about the history of the Camino and, above all, laugh and cry with a loving father and daughter as they walk steps trod by thousands of religious travellers before them. Whether you're a seasoned peregrino seeking to relive your glorious Camino days, a Camino novice looking for stories of Camino veterans or someone who's never even heard of the Camino, Buen Camino! is a must-read, full of drama, exhilaration, love, laughter and spiritual and emotional revelations. More than just a travelogue, Buen Camino! is the unique story of the shared emotional journey of a loving Irish father and daughter and of the deep family bond their shared journey of self-discovery forges. Be seduced by the spirit of the Camino and join Peter and Natasha as they follow the ancient route of Irish monks on pilgrimage and find a way of living in the world more simply. Light in weight, and available as an ebook, this is the perfect Camino companion. A lovely book for those who have done the Camino, or like me, are thinking of doing it. The Dubliner An addictive, funny, heart-warming, informative read. The Irish Mail

Customer Reviews

And interesting approach. There experience from different perspectives, very personal. Nice to read about a "functional" father/daughter relationship. If you are looking for a lot of technical details, this is not the book.

GREAT INSIGHT. stories told from both the fathers point of view and his college aged, adult daughters point of view.the stories also include a fair amount of detail about the where ,and when on their Camino.also is the historical background of the Camino in general,and the places they stayed, or visited without being a high school history lesson. this is a good read.

Thoroughly enjoyed the telling of Peter and Natasha's Camino pilgrimage. What fun it must have been for a father and his daughter to share such a magnificent adventure. I wish the pictures had been placed in the narrative instead of at the end (at least it was this way in the Kindle version), but it was still a very enjoyable read.

This is a Camino memoir written from the perspective of a father and a daughter from the Wicklow Mountains in Ireland. They start their Pilgrimage to Santiago de Compostella on Reek Sunday (7/25) by climbing Croagh Patrick in County Mayo, Ireland. Written from the perspective of a father and a daughter, this book is a testimony to the special bond they share. I enjoyed this book from cover to cover.

This is a very well written account of a father and daughters experiences as they walked the Camino De Santiago together. . .I especially liked how each section included the father and daughters experiences seperatly. . .The only downer for me. . .The fathers stories included a lot of the history of each particular section of the Camino they walked . . sometimes more then I cared to hear. . .but other then that, I thoroughly enjoyed the book!

I loved this book! It was very well written and interesting to read the different perceptions of both father and daughter! It gave a very insightful account of their journey from both the physical and emotional perspectives. I thoroughly enjoyed reading this and would recommend it!

Delightful Father-Daughter adventure on The Camino de Santiago. Great read as I was preparing for my own adventure on the Camino.

Nice little book, a good read if you're planning on walking the Camino
