# Workbook For Hartman's Nursing Assistant Care: Long-Term Care And Home Care, 2e

## Synopsis

This very affordable workbook is designed to help students review what they have learned from reading the textbook. It is organized around learning objectives, which work like a built-in study guide. Multiple choice, true/false, crosswords, word searches, critical thinking scenarios, and other activities test the student's knowledge of each chapter. The workbook answer keys are not shipped with the workbooks; they are only available to verified instructors.

## Customer Reviews

not what I was looking for in an inservice book

Perfect

listed as usable, but was completely filled out workbook by previous owner. worthless as a workbook

Great book

When I started working in this workbook I had found that chapters 1 - 6 have already been completed. Unfortunately I need the workbook now and don't have time to send it back for a new one. I am able to erase the chapters done in pencil which is a pain in the butt, the chapters done in

red ink, I guess I'm out of luck. A word of advice ~ check your workbooks to make sure they have not been used before sending them out.

Great
