Kilt Trip: Part 5: (A Scottish Highlander Historical Romance)

Synopsis

A SERIAL HIGHLANDER ROMANCE the parts of which should be read in order. Rory has discovered that Bridget and her friends are not in their beds. But this time, they haven't run off--they've been taken. And he'll have to hurry if he's going to get his hands on Bridget--er, rescue her--before Kennison finds her and spirits her back to England!DISCLAIMER: In the tradition of Charles Dickens' The Pickwick Papers, The Three Musketeers, and The Count of Monte Cristo, KILT TRIP is a serial Scottish Highlander romance released in parts of approximately 50 pages each, most of which will end in cliff hangers. If you're not a fan of this format and don't like to be tortured, spare yourself. Turn back now. Scotland, 1704 It's all about that kilt! Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fiancé will be hellish, so she's determined to make him suffer by stealing a Highlander's kilt and leaving him to wonder how she acquired it. The Scots charged with finding and protecting them along the way are entirely wrong--and perfect--for the job. Rory, for instance, is a kilt-clad Highlander, but he'd die alone in a cave rather than get within ten feet of another Englishwoman. Unfortunately for him, the duty to pay his grandfather's debt will get him and his two friends much, much closer to the lasses than that. Come along for the ride.

Customer Reviews

Excellent book a must read and with each word that is read you really are hooked, what an excellent writer! I never want to miss a book in every series and I highly recommend this book and all books by this author! Fantastic book, you will not want to put it down, I know I didn't and I wanted more and I feel that you will also! Great, Great, Book!

Loved this series! Very fun and well written, glad I found it after all the parts were available! I have bought another series by her since reading this, very engaging and believable writing.

I have enjoyed all 5 of these sections of Kilt Trip. Each has ome to an interesting end, leaving you waiting with baited breath for the net episode to come along. Which can be any minute.

This just needed to be one full story, not pieced mealed. It has been really frustrating to read it like this. Each piece was good, but too short. I could not give it a higher rating. I do not like when some authors choose to my write a whole story.

Don't like this new format at all, this series seems like it is just one book, to have a book in the middle of the story, of course it does insure that I won't stay up all night reading, just one more chapter

Can't wait for more of LLMuir's writings...She has a sense of wit & humor that I love...Recommend this book most definitely and the entire series actually...

Nice enough story, too short and why has she separated what is clearly a full book.

Loved the book
