Customer Reviews

This coloring book is a lot of fun. The drawings have a little bit of everything - cute characters like unicorns and frogs, food like cupcakes and alcoholic beverages, flowers, etc. The sayings are snarky and sarcastic and make me laugh. When I'm stressed out the book puts a smile on my face. The paper quality is good, I haven't had issues with it bleeding - for reference I normally use colored pencils, pens, and markers. Great book, naughty, sassy, fun - go for it! I attached some pictures of the book, including one that I have colored. Please note I had to crop out the phrases due to profanity. But you can get an idea of the cute artwork in there.

so Funny!
