PRAISE FOR JUNIE B. JONES COLLECTION: BOOKS 5-8 ON AUDIO: "Lana Quintal captures the voice and personality of Junie B. perfectly. Nothing short of hilarious!" "Barbara Park's irrepressible kindergartner Junie B. Jones comes to life--endearing grammatical errors and all--in the childlike voice of actress Lana Quintal." "Park has a wonderful ear for the dialogue of five-year-olds and an even better grasp of how their minds operate."

BARBARA PARK is best known as the author of the wildly popular New York Times bestselling Junie B. Jones series, which has kept kids (and their grown-ups) laughing and reading for over two decades. Beloved by millions, the Junie B. Jones books have been translated into multiple languages and are a time-honored staple in elementary school classrooms around the world. Barbara once said, "I've never been sure whether Junie B. Jones fans love her in spite of her imperfections or because of them. But either way, she's gone out into the world and made more friends than I ever dreamed possible." Barbara Park is also the author of award-winning middle grade novels and bestselling picture books, including *Skinnybones*, *Mick Harte Was Here*, and *Ma! There's Nothing to Do Here!* Barbara Park was born in New Jersey in 1947 and spent most of her adult life in Arizona, where she and her husband, Richard, raised two sons. Barbara died in 2013, but her legacy lives on in the laughter her books give to readers all over the world.

We purchased all three sets and our daughter LOVES them. She has always had a hard time going to sleep at night and we turn these on as a way to occupy her mind as she tries to fall sleep. We've tried to coax her to try other books on cd...but she is set on Junie B. That being said, don't think these are mello...fall asleep kind of stories...they are very energetic and fun to listen to. I am honestly surprised she can fall asleep to them, but it works for us.

My wife is a preschool teacher. She has been reading these books to her kids for years and loves them. She had no idea there were more books in the series than she had. Next we will be buying the rest of the series. Very entertaining and educational.

Great stories. My daughters love them and listen to them everyday.

Super entertaining on our twice weekly road trips with my 4-year-old granddaughter. These audio books have been her first experience with "chapter books" and I've noticed her attention span keeps

growing as we listen to these. She loves the stories (I admit I enjoy them too) and Lana Quintal adds a lot of charm as the narrator.

This started all the laughter at our home.

My daughters (6 and 10 yrs) love to fall asleep listening to stories. They both love Junie B Jones. The only reason I didn't give this 5 stars is because the CDs have more than one story on each of them and just when they are almost asleep sometimes they have to get out of bed to change to the next CD.

A long car trip with my 7year old Grandson was made a lot easier with Junie B! We would listen to one and later, when scenery became scarce, we would listen to the next one. They are done so everyone enjoys. The adults were laughing as much as my Grandson. We were glad Junie B made the trip with us.

Cutest little CDs ever purchased...the narrator is so child like reading that you very easily get lost in the story.
