# Every Dog: A Book Of Over 450 Breeds

## Synopsis

Every Dog: A Book of Over 450 Breeds packs in a lot of information. Illustrations, text, charts, tables and icons make it an ideal reference for all dog lovers, who will enjoy flipping through the pages. The over 450 breeds are thoroughly researched and represent canines from around the world. They range from rare breeds for the dog lover that wants something different, to the favorite breeds that make for a reliable choice. There are ancient breeds and modern breeds, including the "designer dogs" that have become so popular in recent years. The over 450 breeds are organized into various categories, such as type (which share loosely common ancestry and traits), purpose, and more. For example, Spitz-Type Dogs typically have thick and dense fur, pointed ears and muzzles, and puffy tails that curl up and over their rears. They descend from ancient breeds that came from Arctic regions. Spitz dogs include the Akita, Canaan, American Eskimo, and the Pomeranian. Each breed is described on one page and includes these details: English and any alternative names, place of origin and year of first known introduction Icons and keys indicating all available coat colors; exercise requirements; graph indicating average weight, height and life expectancies At a Glance chart rating Intelligence; Ease of training; Affection; Playfulness; Good guard dogs; Good with children; Good with other dogs; and Grooming required. Descriptive text and a brief history of the breed Two color photographs, one adult and one puppy. Every Dog: A Book of Over 450 Breeds is a fabulous reference. In addition to the hundreds of breeds of all type, origin and purpose, the book includes the many designer breeds developed over the last couple of decades, making it undoubtedly the most up to date and detailed breed book currently available.

## Book Information

Paperback: 536 pages

Publisher: Firefly Books (October 18, 2016)

Best Sellers Rank: #62,543 in Books (See Top 100 in Books) #52 in Books > Crafts, Hobbies & Home > Pets & Animal Care > Dogs > Breeds

## Customer Reviews

Nancy Hajeski is an editor and New York Times bestselling author of nonfiction, romantic fiction and graphic novel adaptations. Her many books include *Ali: The Official Portrait of the Greatest of All Time* and a series of graphic novel adaptations of Jane Austen's *Pride and Prejudice*. She lives in the Catskill Mountains in New York.

I bought this for my teenage daughter. She loves it because it is packed with great photographs and lots of information.

Great book -- so many dogs well illustrated and cogently described in helpful ways. Good quick resource or interesting full-read. We already knew a lot about dogs and went to many dog shows; even so, we learned a great deal easily and quickly reading this book. We found our next dog breed here and would never have found it otherwise.

One of the best dog books I have seen. Great information on every breed and very well written

It's a great size and there's tons of information on any breed that helps when it comes to getting a dog even it's the first time this book is amazing

Figure out what your neighbor's dog is or use to choose your next dog. Very cool mix of facts and history. Bought as a gift.

Great deal, love it.

We got this book for our kids, one of which is very passionate about dog breeds. After continuity being disappointed whenever we had to return dog breed books to the library, we decided to get one for keeps. They love this book. Our oldest (14 years old) was shocked to find breeds she hasn't heard of. This book will keep them busy for a long time. The only disappointment was there were no Buggs in the book, but we understand you can't get all the mixed breed into one book. We also loved that it was a smaller book - perfect for taking on roadtrips.

Gave book to staff at a forever home for dogs shelter. They loved it!
