Customer Reviews

This book seemed to be written by an amateur. It could divery well have been a short story. There

were some chapters that should have been condensed to a paragraph, and the editing was terrible. I would not recommend it.

I enjoyed this book very much. Much too short

Entertaining and easy read. Loved it

Sabrina is still upset that no one found out what happened to her sister who disappeared 10 years earlier. As much as Sabrina has tried to get on with her life, she can't get her sister out of her mind. Then she finds her friend dead in the alley behind the family coffee shop. Sabrina is determined to find out what happened to her friend and not let it become a cold case like her sister's. Can she find the killer, something the police couldn't do? Are the two cases related? Read the book to find out. I received a ARC. The review is entirely my own choosing.

Have you read it? Sabrina Daley continues to struggle, ten years later, with the disappearance of her sister. One morning Jessica went out for her routine jog and never returned, and in the decade since, no clues, no evidence, no Jessica. But, life goes on, as Sabrina manages the family $\hat{A}f\hat{A}\hat{c}\hat{A}$ \hat{a} $\neg \hat{A}$ \hat{a} , \hat{c} s coffee shop (the Daley Buzz), supports friend and employee Kelly $O\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ Reilly with her frightening encounter at the Watterson estate and BFF Shannon Smith with her romantic entanglements, and gets involved in more than one mystery $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ \hat{A} and murder. Is that a light in the window of the abandoned dilapidated Watterson mansion? For what purpose are well-dressed men attending and not discussing an invite-only gathering at the Old Banquet Hall? What motive would cause someone to murder a business neighbor and friend? Sabrina hoped to dive into work and busy herself enough to avoid memories of her sister, but this $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} may just be too much. I am relatively new to Meredith Potts $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s writing $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ \hat{A} |where have I been, you ask? I have some of her books, but recently I pushed myself to start reading the ARC of $\tilde{A}f\hat{A}c\tilde{A}$ \hat{a} $\neg \tilde{A}$ Å"Caramels With a Side of Murder, $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} but I discovered some references that I needed clarification. So I was extremely lucky to find there was a first book in the series. How marvelous to start with that! More details were given to make clearer the back story and character connections. This story was very engaging, scary at times, and I found Meredith $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s characters varied and well developed with reasonable reactions to the events and relationships. Although there are some conclusions offered for closure, the book has some of the main questions left unanswered for future

I highly recommend getting into this series, now $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} more books are on the horizon. I read the story by purchasing the "Fourteen Book Cozy Mystery Set."

This book was sooo good. I watch every "Forensic Files" and "Disappeared" and this was a mixture of the two! They did solve the case but there were questions not answered they make you wonder and try to figure out he answers. I love trying to figure out what the author has in store for her characters and my new friends.

So many mysteries packed into this story. A really fun cozy mystery where murder was just one of the mysteries in the story. Looking forward to the next book to continue the search for Sabrina's sister and the mysterious meetings being held in town. Highly recommend to anyone who loves a cozy mystery.

This is the second novel of Meredith Potts that I have read. It is a cozy murder mystery. In this book Sabrina finds a dead body and then sets her sights on figuring out who done it. The book is a steady read. It sets up the start of a new series based around Sabrina and her coffee shop the Dailey Buzz. As the story goes on it leaves a few questions left unanswered, which in turn have you wondering what the next book will be about. The book is a cute read, steady but not a lot of thrilling action. If you like cozy $lil\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ reads that could be Halmark movies, then this book is for you. Who doesn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t like Hallmark movies right?!I was given an ARC in exchange for my honest review.
