Star Wars: Return Of The Jedi: The Original Topps Trading Card Series, Volume Three (Topps Star Wars)

Synopsis

Following the success of *Star Wars* (1977) and *The Empire Strikes Back* (1980), Topps released two brand-new sets of collectable trading cards in 1983 to coincide with *Return of the Jedi*, the final installment of George Lucas's original *Star Wars* trilogy. Now, for the first time, all 220 cards and 55 stickers are reprinted in one deluxe volume. As with the previous books in the Topps series, this collection features the fronts and backs of each card, including character profiles and puzzles featuring all of your favorite scenes from *Return of the Jedi*. Also included are four bonus trading cards, rare promotional images, and an introduction and commentary by Gary Gerani, the original editor of the *Star Wars* Topps series. Also available from Topps: *Star Wars: The Original Topps Trading Card Series, Volume One*, *Star Wars: The Empire Strikes Back, The Original Topps Trading Card Series, Volume Two*, and *Star Wars Galaxy: The Original Topps Trading Card Series*.

Got a few cards at the Antique Mall the other day and wanted to see what the whole set looks like this was exactly what I wanted

MUST HAVE for fans of the original trilogy and especially if you are old enough to remember collecting these cards. They're all here along with stickers and puzzles. **JUST BUY THEM ALL!**

Fun to have all the cards I collected as a kid in one book. Great memories, fun info too behind the scenes about the production run of these classic STAR WARS cards.

Poor photo quality, small images in an awkward sized book. I purchased all three in the set for a gift but ended up returning them.

Brought my childhood back, the only issue I have is that the card backs are not on the back page of the front sides, but in their own section. overall though well worth the money for those of us that collected them in the 1970s-80s

As good as expected.

i love return of the jedi book. it was great. it takes me back memory lane. since when i remembered these cards when i bought from the drug store for \$1.00. i love the front and back of the cards.it was amazing. it will be more star wars trading cards books from topps yet to come.

Great book for any Star Wars fan, especially us older ones. Like a trip down memory lane looking at these Topps classics. Basically just a picture book, but the perfect remedy if you're feeling nostalgic.
