Absolutely lovely planner with tons of inspiring and wisdom quotes from Paulo Coelho's books. Great quality, thick paper, comes with a bookmark and two book flaps that can be used as bookmarks too. Beautiful illustrations, clean weekly design so you can use it for journaling or planning. The size

of the planner is perfect and I like that it has few blank pages at the end for notes etc. I also like that each month has a theme (courage, improvement, love) and weekly quotes reflect that theme of the month.

I am writing this review in hopes that the publisher (Vintage International) will improve the usefulness of this day planner. I will be frank. I LOVE, LOVE, LOVE the artwork of Catalina Estrada, and that is the main reason I purchased this planner. The quotations by Paulo Coelho are a nice plus, and certainly add to its charm. This is what I value the most about this planner: (1) Catalina Estrada's beautiful art on every page. I get goosebumps just turning the pages. (2) Basic Lunar cycle information (I am happy to know when the New and Full moons occur). Thanks for including this information, as most calendars and planners don't include this information anymore. (3) Nice amount of space for each day's entry (2 days per page, and Sunday has an extra notes section). (4) One ribbon bookmark (but I wish there were more). (5) Full 2016 and 2017 calendars at the front, side-by-side. I prefer them together, so this is great for me. This is what I think the publisher could improve: (1) Use a binding that allows pages to lie flat when opened. Spiral binding? (2) Less slick pages. Ink is more likely to smear on this type of paper. (3) Bigger space between the diary entry lines. Not everyone has tiny handwriting. (4) Add a built-in elastic band so the diary can remain closed. (5) Add more NOTES pages at the back. There are only 9, and that is not enough for many notations I make throughout the year that I don't want hidden away in the journal section. This area could definitely be enlarged. (6) Add an address section or at the very least, a list section. Basically, this is a day planner to buy for the amazing inspiration of the artwork and the thoughtful quotations. I don't rely heavily on a day planner to carry out my daily tasks, so this planner design is "just OK". Someone who makes a lot of detailed entries and needs to put down a lot of appointments will find it inadequate. For the "casual" day planner user, this is, in my opinion, one of the most beautiful ones out this year. In features and functionality, it is very average. But the amazing artwork of Catalina Estrada and thoughtful words of Paul Coelho make it a thing of beauty that will surely bring a smile to anyone who owns one.

It's not yet 2016, so I have not used it. I have the 2015 Paulo Coelho planner. 2015's is very bright and a bit psychedelic looking, with a lot of primary colors. 2016's is a tad more tame on the colors but still very expressive. That brightness is actually very handy as it is so bright that it's easy to spot, and I have never left it behind anywhere. The 2016 one seems a bit more feminine and flowery than 2015. I like having all of the different quotes to read. The only Coelho book I read was the

Alchemist, but the quotes are all good, there is no need to have read many of Coelho's books because the quotes make sense without context.

This is my 3rd calendar/ year . I absolutely LOVE them.

I missed not using these for the last couple of years. I got this one & immediately filled in birthdays etc.! Paper is high quality & very smooth. I love this planner & highly recommend it!

I'm such a fan of Paulo Coelho and I can't wait to start using it. I bought it as a gift for myself. The artwork is so stunning and the quotes are so inspiring. I'm looking forward to starting my new year off right. The size is perfect to toss in my purse or my book bag and the pages are thick and really nice quality.

Journaling can't be more cathartic and saved to recall where you were at in your life, events and used more times than I can remember to trigger memory about various things in life.

This planner is more beautiful than I expected. Can't wait to use it in 2016. I love the quotes!
