Nice photos in large format. Good as a supplement to guide books like DK guide or Rick Steves. if you are planning your sightseeing.

This is my husband's favorite city to visit. It's full of history and beauty. This book is a reminder to us of a wonderful time we had visiting Prague.

I'm very satisfied with the book. I found the book to be educational and informative with beautiful pictures. Just what I was looking for. It was shipped promptly.

Photo books of Prague are hard to find. This is just what I wanted and at a great price. It arrived before I expected and in perfect condition.

Book is beautiful with detailed pictures of a well-loved city. Arrived quickly, hardly any markings. Thank you.

great pictures

The book proved to be a very fine purchase. It provides a comprehensive overview of the city in pictures, and is accompanied with simple to comprehend documentation as to significance. It may well be the best book I've seen on the subject of Prague. The book was purchased for an elderly woman from the old town ... and she was brought to joyful tear with the wonderful content.

This is a great coffee table book. Not as big as most but an abundance of pictures and information about this wonderful old world city. It's beauty and history will enchant anyone.
