Marco Polo Maps are famous for the high quality of cartography in their Country, City and Holiday Maps.

If you want to take a magnifying glass with you on your holiday, then buy this map. The inserts of the

major towns on Crete is of no value. It would be easier to copy a street map from a library book or print out one from the internet. The product arrived quickly, but the purchasing the map was a mistake.

The best map we ever had! It will be a big help in our October travel in Crete. Thanks, we can plan now our vacation.
