Synopsis

Relieve Your Thyroid Symptoms with Essential Oils Today! Get this Kindle Book Today for ONLY \$2.99! Are you feeling down or tired all the time? Are you taking thyroid medication but it's not working? Do you feel like you just can't lose weight? Do you have memory loss or delayed thinking? or Are you stressed all the time? Anxious or Depressed? Can't Sleep? or Get Headaches all the time? Do you just feel like you can't do the things you want to do or be productive because you have no energy? Are you looking for natural remedies because conventional medicine has caused you problems or worse symptoms? This book is a primer, for beginners, on the link between aromatherapy and thyroid healing. This book is for you if you are searching for a natural solution to your ailments and annoying symptoms. If you have been prescribed a thyroid medicine in order to make up for the imbalances in your hormones, yet you are still dealing with unwanted ailments or symptoms, then, as you read this book you will receive valuable information for your journey to feeling like yourself again and to possibly weaning yourself off of your thyroid medicine. The thyroid is one of the most important glands in the body and about 20 million people have a thyroid issue, but only 60% of them are even aware of it! According to research studies, a majority of people in the world are bound to suffer thyroid issues at some point in time or another in their life, due to things like diet, hereditary conditions or toxic chemical or heavy metal exposure. And women make up the majority of thyroid sufferers. If you feel bound by your symptoms that prevent you from reaching your full potential, then download this book today to put an end to your thyroid woes! See What You Will Learn And How To Cope And Heal Your Symptoms With Alternative Medicine... What is the Thyroid? The Reasons for Your Annoying Symptoms How Understanding Hypothyroidism and Hyperthyroidism Can Help You Aromatherapy: History and Use 27 Essential Oils to Help Heal Your Thyroid: and how they can help Aromatherapy Methods: Topical, Oral, Inhalation and Reflexology Essential Oils Safety Diet, Exercise and Homeopathy To Relieve Your Thyroid Symptoms How to Manage Stress How to Get More Sleep How Heal the GI Tract and Detox the Liver How To Put it All Together and Next Steps to Take And So Much More! Customer Reviews

This book is about how to make use of essential oils to help with the healing of your thyroid. It seems that constant fatigue, weight gain, headaches, unexplained hair loss, cold hands and feet, anxiety and much more symptoms might be because of the thyroid not functioning properly. Very good information are shared in this book and it might be worth a try on your road to feeling like you old self again.

A brief accessible overview explaining the thyroid, it's problems, and essential oils for symptom relief and perhaps health improvement. Lists the appropriate oils and explains there characteristics. Worth your time.

GREAT!!!

Intelligent book, sensible explanation of the illness and how the oils can support the conventional therapy. Other helpful lifestyle advice, too. One star off for the homeopathy (my personal choice; who finds homeopathy helpful can actually appreciate it).

Short N Easy- Very informative, easy to understand, good advice on how to / not to use oils. Thank you

This is a very good beginner guide to how the thyroid works.

very informative better than the book i bought

lot of info
