# Sublime Union: A Woman's Sexual Odyssey Guided By Mary Magdalene (The Magdalene Teachings)

## Synopsis

Follow Mary Magdalene on a profound journey into the world of sacred sexuality. In 2012, author Mercedes Kirkel received a series of messages from Mary Magdalene guiding her through the sexual practices known to priestesses in the ancient Egyptian temple of Isis. **SUBLIME UNION** presents Mary's full instruction, interwoven with Kirkel's stirring story of applying the teachings with her partner. Building on the messages offered in book one of *The Magdalene Teachings*, readers are now given the second key piece to embodying the union of the Divine Feminine and Masculine. Mary sheds light on the path of sacred sexuality--which has remained largely hidden until now--offering us the means to greater fulfillment in our relationships while deepening our spirituality through intimacy. Best of all, the instruction happens in the context of a riveting, real-life account, bringing the "master-awakening-the-student" genre into the bedroom!

## Vibrations for the New Age" and "Spiritual Toolbox"

The greatest benefit of this book for me was to drop my fear of talking to my lover and partner about sensitive issues, not only sexual but anything else. When my stomach tightens or my throat closes up, I have discovered that there's something that I'm holding back. Holding back honest communication affects the area of our sexuality. Surrendering my fear of complete intimacy opens up all the doors, allowing love-making to become so much MORE. Thank you, Mercedes, for having the courage to write about a topic so personal and intimate and share it with the world. I am filled with gratitude for your honest story you have shared so freely. The information you have channeled from MM will help couples in their quest for more intimacy and pleasure in "sacred union". I know. I've been impacted by this knowledge as if I was rocketed to another dimension where I was told, "It's okay to talk the truth with each other. No more games. Games are misunderstood. No need to be coy or expect your mate to read your mind. Do not be afraid to open your heart to each other. Be joyful in the freedom of opening up the line of co-creation, where anything goes." What a relief!~ Jan Lanning

I began reading this book with an insatiable need to soak up every word. Excited to somehow find a balance within the masculine & feminine energies. I received incredible support from Mercedes & Mary's words, allowing me to find healing from past relationships with men. The chakra exercises are so very powerful, they did exactly what my body, soul & spirit needed to re-connect to my desires for a deep, unconditional LOVE, not only with my next relationship but with myself! My gratitude truly cannot be put into words...Thank You from my highest level of being. This book needs to be in the hands of every soul in this dimension!

I just finished reading "Sublime Union" and I really enjoyed it. I loved how the book intertwined with Mercedes's personal story and with the teachings of the Magdalene Divine Feminine energies. These sacred ancient teachings will bring remembrance to many for this Golden Age which can bring us all closer to the love and light that is always shining within us :-). I will probably read it more than once."

Thank you, Mercedes, for telling your story in the context of experiencing and teaching sacred sex. Just downright powerful. More like encountering Mary Magdalene than reading a book. Feels like my insights and internal shifts are happening on multiple levels. Much gratitude to you and Mary

Magdalene!!

I found most of this book boring and slow to get moving. There is far less about techniques and too much about her personal journey.

.Highly recommended. Excellent story with a divine message for our times; however, the book could have used another round of editing.

I thoroughly enjoyed this book! The depth of the intimate encounters in it are very authentic and real and inspiring. Definitely recommend reading this!

This excellent book evoked for me new possibilities for conscious loving and relationship. Thank you, Mercedes!
