Roses In The Snow: A Tale Of Saint Elizabeth Of Hungary

Synopsis

Elizabeth loves to hear her grandmother's stories, and none is more dear to her than the story of her namesake: St. Elizabeth of Hungary. Together the two recall the holiness and charity of this great saint while preparing to celebrate her feast day. Dessi Jackson's lively storytelling voice draws listeners into another time and place, while Lydia Grace's beautiful watercolor illustrations provide a richly detailed delight for the eyes. This charming tale is wonderful to read aloud for the young and young at heart.

Customer Reviews

Dessi Jackson was born and raised in Bulgaria, and her experiences of village life lend a colorful richness and charm to her engaging Old World storytelling style. She is now a homeschooling mother of six, enjoying the adventures and beauty of rural life in the countryside of Indiana. Her Byzantine Catholic faith and the memories of her homeland are both integral to the life she leads today. This is Dessi's third picture book about a saint; she also writes for Seton Magazine.

Beautiful illustrations in the book.

I love all the books by Dessi Jackson. Another wonderfully written and beautifully illustrated book for children. The water color illustrations are gorgeous. Great book for girls.

I gave this book to my father for Christmas. Tears came to his eyes, because his mother used to

read him this story when he was a young child. My father grew up in Hungary and the story of St. Elizabeth is a treasured one. This book is beautifully illustrated. Thank you.

Storyline is a great old fashion one too.

A great gift to think about for children and teaching them about the saints in modern ways. The saints can teach us more about life than Disney Princesses, world leaders, or even fictional characters. Why? Because they lived the struggled and embraced it from within.

The illustrations alone are well worth having this book in your collection of favorite saint stories. The tale is beautifully written - easily enjoyed by children and adults alike.

This is a beautiful - and I mean beautiful are the illustrations - story of a Saint. I read it to my 3 year old son. It was a little long for his liking, but I love the illustrators work and will look for more work by her.

A beautiful story with a glimpse to St. Elizabeth but some of the symbolism is very deep and difficult to explain to my 2nd grade - regardless my children love it by her holy witness and the amazing colors in the pictures!
