Customer Reviews

Nice size. Good print. Love that it has stickers too.

item arrived in time for Christmas and was enjoyed by my relative

My daughters are obsessed with the Moana movie, so this is a hit in our home with the toddler set.

My granddaughters loved this coloring book. It is so large and since they loved the Moana movie, they like anything Moana. They enjoyed coloring all the different Moana pages.

Little boy was surprised by his gift and LOVES it!

Wonderful product, children love it.

Coloring book itself is cool, but the stickers are way too small. Advertises 50 plus stickers, most of them are small little flowers stickers or such.

Bought as a gift. She loved it! I would like to purchase other large coloring books as my toddler boys prefer having the bigger photos
