The Gift Of Forgiveness

Synopsis

Charles Stanley, one of the most influential spiritual leaders of our day, shares the key to personal and even world peace in *The Gift of Forgiveness*. As Stanley points out that no sin is so shockingly evil it blocks God's forgiveness nor so trivial it negates the need for God's mercy, he shares the specifics of how to go about receiving and giving forgiveness. *The Gift of Forgiveness* reflects the heart of Stanley's teaching ministry. In this markedly helpful book, Stanley addresses such questions as how to practise a life of forgiveness in all your relationships and how to make forgiveness an ongoing, practical experience in your life. Customer Reviews

Dr. Charles Stanley is senior pastor of First Baptist Church in Atlanta, Georgia. He is the author of numerous books, including *The Blessings of Brokenness* and other titles in the popular *A Touch of His . . .* devotional series. His popular radio and TV program *In Touch* is heard and seen worldwide.

This is a terrific little book. Like all of Doctor Stanley's work, it cuts straight through all of the fog and clutter to the core of the issues. It showed me that God had forgiven me and how to let go and forgive those from my "my past". Most importantly Doctor Stanley showed me that if God forgave me, it is OK for me to forgive myself and lay down the guilt for the past.

Dr. Stanley taught me how to forgive. He showed me how to put my past behind me and look forward and the importance in forgiving. This book breaks in down and gives you descriptive outline in steps on how to forgive and the why. I always carried my pass to the present and could not let go the ones who have hurt me. This book showed why it was important for me go forgive and move forward. In reading this book I have a better understanding and my life has been a little easier.

Dr Stanley brought us the fact that we have to forgive one another. God wants us to forgive like He does. This book taught us how to deal with bitterness using the most powerful tool, which is forgiveness. Dr Stanley has done a great great job to illustrate the meaning of forgiveness. Moreover, He told us the steps to begin forgiving others! This book is a must. See the benefit of being forgiven. We just can't forgive others if we don't realize that God forgives us first.

It's one thing to forgive, and another thing to say you've done so and mean it. In this book, Dr. Stanley walks you through the complex web of hurt, both real and imagined. He explains the consequences of holding onto grudges and illustrates his point using anecdotes that we can all relate to. Stanley discusses and analyzes the steps we take to reach the nadir of an unforgiving heart; and he explores the rationales and results, without psychobabble nor heavy reliance on scripture. What makes the writing so effective is Stanley's simple and direct approach to problem solving. Dr. Stanley merely takes what we already know and explores it deeper, or debunks it. Once we understand how forgiveness, or lack thereof works, the easier it becomes to forgive. People from all walks of life can learn something from this work.

Must read

This book is excellent for those people like me that have a hard time accepting the forgiveness that Christ freely gives. Not by our works but by the free gift of grace that he gives. He loves us. if you have a hard time in your faith this book is a life Changer. I love Dr. Stanley. His preaching ministry helps me so much in my walk he Christ.

A tremendous resource for realizing the "responsibility" of forgiveness. It is too easy to be trapped in the prison of our own bitterness yet ultimately that prison only hinders us. This book is direct and to the point. Be ready for the Holy Spirit to do surgery!

This book lists the gifts of forgiveness. Dr. Stanley books are to read and understand. These are powerful words from God printed in this book.
