Pretty dang easy, very satisfying to my intermediate-level children with Hamilaria. A beginning player will have to work to get the songs but could do it; an intermediate player can sight-read fairly easily. In some pieces, the repetitive whacking of one note for rapping "melody" line in right hand gets a little wearing to the listener (me) but is still fun for the piano player, according to reports from

the childish ones. The more melodic songs are also represented here; clearly there was an attempt to choose melody-in-the-right-hand-friendly selections to include. Dear Theodosia, You'll Be Back, Burn, and That Would Be Enough are very listener-pleasing. If you want to sing along and do the fast-paced songs and you have intermediate or better piano skills, get the Vocal Selections instead. You'll get the same songs with more complexity, but you will have to sing (or play melody instead of right hand accompaniment). If you just want to play the songs with melody in the right hand, this Easy Piano Selections is a great choice.

Not difficult at all!! I haven't played piano in over 40 years and was able to pick it out easily. (I only had a few months of lessons too.) This is quite simplified. My daughter has also only had a few months of lessons and is playing it.

Everyone has a different definition of "Easy". I bought these for teen piano student. Several of the pieces are quite challenging for her, still a decent purchase as her teacher has been able to modify them. And it makes her want to practice to play her favorite songs.

These selections are not "easy" ones. They are for advanced pianists. But if you like the music in Hamilton & enjoy playing the piano you will probably want this book.

This was a gift, so I have no personal experience with using it. The recipient was very excited to receive it. However, I believe it turned out to be harder for the recipient to play than the "easy" description suggests.

I bought this for my daughter, who absolutely LOVES the musical but hates to practice her piano. It has made practice time easier on all of us. She really enjoys practicing these songs that she loves so much. Great purchase!!

I purchased this for my son when I gave him tix to the play. He loves it! He's a self taught pianist and it was easy for him to play the music.

Absolutely love having the book for piano and possible audition vocal pieces. However, there is a line missing from "You'll Be Back," which is at the bottom of Page 37. I have written to the publishers in Australia to see what can be done about it, since it's the song I might be considering

using for an audition.
