The True Story Of "Jennie" Wade, A Gettysburg Maid (Classic Reprint)

Synopsis

Excerpt from The True Story of "Jennie" Wade, a Gettysburg Maid There is romance and tragedy in the life of this Gettysburg girl. However, the romance here presented is the romance of truth, rather than of fiction. Unfortunately, much has been written and spoken concerning the character, life and death of Jennie Wade which will not stand the searchlight of analytical examination, nor the acid tests of proof. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Customer Reviews

Even tho the Mary Virginia Wade story itself is certainly compelling, and a decent copy of the original of this book would be nice, in this case the quality of this copy is garbage. It is barely readable at all, and in many places, unreadable. Except for the cover, the pages look like substandard copier copies made from copies, made from copies, made from copies, made from copies, etc. The glowing description from the producer and its attempt at "disclosure" leaves a disappointing misconception of what the product actually is. I was excited to get this because I love the story of Jennie Wade in history, and I was looking forward to another take from someone closer

in time to the event. I was greatly disappointed at what is, in my opinion, a cheap deception. And don't be fooled by a different looking cover.

I really enjoyed this book! The pictures really added to the book! I would really Highly Recommend that you purchase this book! It is a Very Interesting True Story!
