Customer Reviews

"A book no kitchen should be without!" â Haliburton, Ontario "Wonderful, worthwhile book! A great gift idea." â Vancouver, B.C. "Your recipes are easy to follow, quick to make and good tasting!" â Hamilton, Ontario "Marvelous little book I reach for several times a week!" â Welland, Ontario "We love muffins! Yours in particular!" â Canterbury, N.Z. "My husband thanks you, my children thank you, my coffee friends thank you!" â Kitchener, Ontario "Thank you for this beautiful addition to my kitchen library." â San Pablo, California

Sisters Joan Pauli and Cathy Prange grew up in Ontario with the enticing smell of homemade muffins in their mother's kitchen. As a result, the two learned the basics of muffinery at an early age. Each later married, had three children and began honing their skills in muffin creation. It was in 1982 when the sisters started baking an incredibly wide variety of creative, scrumptious muffins on a regular basis. Family and friends devoured Cathy and Joan's diverse muffinery as soon as the treats left the ovens. At the same time, they urged Prange and Pauli to share recipes for their creations. Muffin Mania became an instant sensation in Canada. Cathy Prange and Joan Pauli worked tirelessly at marketing, selling and promoting Muffin Mania throughout Canada. The sisters also authored Nifty Nibbles (now Nibble Mania), a collection of appetizers, finger foods and snacks, that followed quickly on the heels of Muffin Mania's success. Veggie Mania, consisting of easy to prepare soups, salads and veggie casseroles, was published in 1986. Encouraged by their success and numerous requests for "what's next?" they compiled their favourite recipes for sweet lovers, and

Sweet Mania was launched. This delightful book contains recipes for delicious pies, cakes, mouth-watering desserts, cookies and squares and a selection of their Christmas goodies.

I have the original book of Muffin Mania. It is so worn out, falling apart and I looked on line and found a copy. I am very please to have gotten it so quickly. It has the best recipes ever for muffins.

I purchased a copy of Muffin Mania when I was in Canada years ago and thoroughly recommend the tried and true recipes for all occasions. Because all the recipes are so good my daughter is constantly asking me for copies so it I bought this book for her.

Very happy with product and service

Great cookbook. Brings back memories.

every single batch of muffins so far has been great. No wonder it is a classic among bakers. Love it.

Must have for baking lovers...

Every recipe in this book comes out fantastic!

Someone recommended this book to me. I have decided to go through the recipes one by one. I have only made two so far, with mixed reviews. First muffin was a lemon tea muffin and it was way too salty for me and my family. I questioned myself as I was adding the teaspoon that was called for, but I wanted to follow the recipe exactly. Yuck. Second up was an apple muffin. It had a very good flavor, but looked awful. It was hard for me to get anyone in the family to try one because their appearance was so bad. I will continue to try the recipes because they are generally easy and only make 8-10 muffins. Surely I will eventually find a hit.
