Having grown up in Texas, it's great to be able to satisfy my 'Enchiladas Cravings' at Maui Tacos. BRAVISSIMO! -- Bev Gannon, The Haliimaile General Store Cookbook
These recipes are fun, informed and easygoing...but full of adventure and big bold flavors. -- Peter Merriman, The New Cuisine of Hawaii

Chef owner Mark Ellman is an original Hawaii Regional Cuisine chef. His Maui Tacos restaurants showcase his passion for Mexican food and his love of the tropical flavors of Hawaii. Barbara Santos is a food writer and food event coordinator. Her books include the Maui Onion Cookbook and she is a co-creator of the Maui Agricultural Trade Show and the Maui Writers Conference.

I recently returned from Hawaii and found myself still thinking about the awesome food we had there...especially at Maui Tacos! I was Googling for recipes so I could recreate some of the dishes we'd had there, and discovered they had a cookbook. You might think that you don't need a cookbook for tacos, but the special marinades, salsa and sauces at Maui Tacos is what really sets

their dishes apart and this cookbook contains all the recipes and instructions needed to get the tropical island flavors just right! It's also giving me the chance to try out some of the dishes I didn't get to eat while I was there...totally makes me want to go back soon!!! This book is authentic, so if you are going to Hawaii or just got back, this book makes the perfect souvenir or gift and you can order it online so you don't have to lug it back with you, or feel guilty telling someone you bought it for them in Hawaii when you give it to them!

If you've not had the pleasure of eating at Maui Tacos, include it in your next trip to the islands. The flavors are outrageous and I was so happy to find they had published this book! Good from start to finish!

For those that have ever visited Maui Tacos in Lahaina, you know what you're missing while on the mainland. Although most of the fare is pedestrian, some of it is uniquely Maui (Pineapple Salsa anyone?)...we use the cookbook for that taste of our wonderful memories while visiting Maui when we're between vacations. So if you have no background in Mexican (not Tex-Mex) cooking, and have visited Maui Tacos...this will give you what you crave. I need to book a trip now, so I can go and eat without cooking again ;-).

This cookbook is awesome. I've been to Maui Taco a couple of times & to be able to recreate these recipes in my Midwest home is great. Yes they really do taste like the restaurant recipes! I'm also not a fan of Spanish rice but love this recipe. I even make extra to have the next day.

Although purchased as "used", it appeared to be in new condition. Love it. Fun recipes.

Mmmm yummy! Thank you!

Can't wait to try the recipes...

This book really broadens the kind of tacos that I now have recipes for. It will be fun to try them.
