Customer Reviews

My 8 yr old niece that is obsessed with Emoji's was so excited when she got this for Christmas! Tons of different pages to color, and a great mix of small areas as well as large areas for a range of ages and coloring skills.

Cute book for emoji lovers! My granddaughter loved it!

My granddaughter thought this was hilarious! She sat coloring and giggling (at the poo emoji of course) for quite awhile! Little kid fun!

I browsed through this prior to gifting it. It was just what I had hoped for when I chose it.

This is good for any age my 4 yr old loved it and my 16yr old babysitter. I even bought one for me and I'm 38 lol.

My daughter loves coloring and Emojis, bring them together in one and it is a perfect recipe.

Bought it for my 5 year old that loves emojis. Books a winner.

Bought for my daughter. She loves it
