Best Sellers Rank: #156,621 in Books (See Top 100 in Books) #2 in [Books > Travel > Australia & South Pacific > Papua New Guinea](#) #3 in [Books > Travel > Australia & South Pacific > South Pacific](#) #82 in [Books > Travel > Australia & South Pacific > General](#)

Customer Reviews

information on Solomon Islands rather limited

These areas drown you in old culture, scenery, and unique experiences. While transportation can be challenging, the adventurous will have a great experience. This area is definitely not your "cruise ship experience". You are going to be on your own so you need to book tour guides and accommodations ahead of time. Waiting until you check out the options is not a good idea because in some places you don't have much of a choice and the planners have already booked the good stuff. That's why I like all the details that this book provides. There are plenty of maps. The color photos in the front show you some of the better places.
