Really, liked this compilation. Music notation great for the guitarist and wonderful selections provided for play and sing-along.

Easy to use

A well made easy to follow book.

nice book for my son who is self taught. Now I can hear music I like instead of the stuff he picks up!  
haha

I've been playing guitar for many years and this book has many great songs. I would recommend this book to guitar players.

a gift.

Great collection of songs done well and easily played. I have been looking for some more lively and popular music and this song got it

Good contents. But it would have been better with a spiral bounding. Have a hard time keeping book open on my music stand.
