Bible Study: 8 Minutes Daily Devotion To Bible Studies With Jesus & For Someone Like You

Synopsis

Have you always wanted to communicate with God privately? Do you feel stressed, depressed or lost and you need God's guidance? Have you always wanted to live a holy life guided by God's word? If you have answered yes to any of the above questions Bible Study: 8 Minutes Daily Devotion to Bible Studies is the book for you! This book has been written specifically for both the aspiring and experienced Christians who want to spare time every day to meditate and communicate with God. What will I learn in this book? Here are some of the topics you will learn about in this book: Creating a heart that is receptive to God's words and commands Benefits of experiencing the word of God in faith Experiences from an encounter with God How to see spiritual works with the spiritual eyes Response to God with a spirit of faith God's teaching on how to listen, to pray and to learn. Bonus books And much, much more! This eight-minute devotional book brings to the listener's attention certain occurrences in the Bible that were of profound spiritual significance. This significance is in relation to the life of regular Christian, a backsliding Christian or a non-believer who would wish to become a Christian, thus we provide biblical verses that can help to mold your understanding of the Bible and Christianity or restore your faith in the Christian ways.

Best Sellers Rank: #93 in Books > Audible Audiobooks > Religion & Spirituality > Bibles #11030 in Books > Christian Books & Bibles > Bibles #395027 in Books > Religion & Spirituality

Customer Reviews

This guidebook is insightful and helpful. By the help of this book I have learned lots about Jesus. This is a Christian life study guidebook and it is very well written. Actually, I always like to communicate with God privately. A few days ago, my girlfriend suggested me about this book. The author of this book did an amazing job and it's really appreciated. By reading this book I have learned about how to see spiritual works with the spiritual eyes. By reading this book I have also

understood about the benefits of experiencing the word of God and I did not know about it before. This book really opened my eyes and helped me to boost my knowledge. It is perfect bible study guide book and I will suggest this book to all.

I read daily devotions. My favorite is Max Lucado's Grace for the Moment. It was so inspiring and challenging at the same time. In comparison, I find the formatting of this book a little distracting, too many spaces in between paragraphs. Content-wise, the day to day devotion is okay. But to have only thirteen days in all is not enough. We have 365 days in a year and that's a total of 365 daily devotions. There's room for improvement here if the goal is to really grow in a relationship with Jesus.

Though most of us are too busy with our daily lives. We should consider making a good relationship with our creator. As for my part, I would start it by having a Bible study session with my family and this book comes in handy. It gave me a good guide in which to start and progress daily. I will surely keep this one as reference and will definitely keep this as my guide in developing my relationship with the almighty. I highly recommend this to other readers as well.

I'm sorry, but this wasn't anything I was expecting. I was looking for something that would help me daily with my devotions, but I just can't make any sense with these written words. Not to mention, my copy seems to have lots of 'non-english' words????

A short and sweet simple guide for those learning to draw near to God through his word. Thank you!

good

This is a great short read on using the bible for life and meditation. It gives a verse and how to use it to apply to your life in different situations. If you are Christian and devoted to the bible and want to bring it more to your life read this book.

I have been recently interested in learning about different religions and this book provided me with a lot of knowledge that gave me an idea of what spirituality is all about. I strongly recommend this book to anyone exploring their spirituality.
