Business Cat: Money, Power, Treats

Synopsis

Boss. Billionaire. Business maverick. Cat. The only big-business tycoon boasting his own private executive litter box and luxury mega cat condo, the dashing Business Cat misses meetings because he's stuck in trees, sends emails while napping on keyboards, and demands to be let out, then in, then out again. This debut volume of the popular online comic *The Adventures of Business Cat* collects all the fan favorites plus a generous bonus of all-new material, for value-added experience and high employee satisfaction. Cat lovers and office workers of the world: meet in the break room and unite!

Good book for the business person who isn't sure how to proceed

Hilarous! Got this for a friend who loves cats and knows how they operate, they're going to get a good laugh at this!

This is hysterical. I bought it as a gift for someone and forgot to remove the sticky note I used as a bookmark... woops.

pretty funny.

Very funny!

I may be a dog person, but Business cat is hilarious. All the awkwardness of a cat with a business man's life. Highly recommend for anyone who loves animals and comics.

Its funny any cat lover would like this.

I LOVE Business Cat. Bought this book for my co-worker but will have to get one for myself. Was substantial and didn't feel like a cheap comic.
