IceBreakers 3: 67 No Prep, No Prop Activities!

Synopsis

(Shawnee Press). 67 No Prep, No Prop Activities! Students today need to feel they belong and to know they are an important and crucial part of the team. Long-time educator and author of IceBreakers and IceBreakers 2 , Valerie Lippoldt Mack brings her brilliance in teaching, recruiting and inspiration with IceBreakers 3, clearing the way for learning by instantly bringing about conversation and making personal connections. These specific IceBreaker activities encourage the building of relationships as well as accepting and understanding differences. We all recognize that teachers seem to have less time and reduced budgets for planning and creating. IceBreakers 3 introduces simple as well as high-tech games with a purpose and minimal preparation. Use the games at the beginning of your classes and rehearsals, during rehearsal as a learning break, or perhaps at the end while reinforcing current teaching goals. The games immediately involve the ensemble by shifting the focus from the teacher to the student from Day One. Your classes and rehearsals will never be the same! Life lessons are taught on a daily basis. Let IceBreakers 3 help you change hearts and lives forever! Sections include: Meet and Greet, Races and Relays, Listen and Learn, Celebrating Diversity, Problem Solving, Support and Appreciate, Additional Tech Support. Suggested for grades 6-12.
