I love Church's books. We have a bunch of them for my 2 daughters. And though I cannot explain specifically why, this book is my least favorite. It just does not seem to flow well. When I'm reading it, I always feel like I missed a page or something. I know that sounds odd, but that's how I feel. Of course, my daughters don't notice, but when you read 10 books in a row, you got to make sure mommy and daddy like the book too.

Makes me cry everytime I read it to my 1 year old daughter. It's helpful to have a non-white child be in a book. Thank you for the cultural sensitivity!

I bought this and another book as bed time stories for my 2 year old. She loves reading along. forEVER she says lol. She asks to read it every night. Cute book with nice illustrations and decent quality.

All of the books by Caroline Jayne Church are wonderful. It is my twins favorite books!

I love to gift these beautiful books. It is one of the birthday boys favorites. This author and illustrator get it right every time, and you can't beat s prices!

This is one of my favorite books. I gave copies to each of my sons. It still makes me teary.

Good book. My boys love the Church books, they are easy to read and have cute themes to them.

These are some of my favorite books
