No Escape ROUGH Taboo Daddy

Synopsis

Hold one hand over your mouth, feel vile rise from the pit of your belly with a young woman being willingly dominated by so many rough older men. Kid yourself and say this is the stuff of make believe, or be brave enough to step into a rough neighborhood as the rings of the shower curtain clang being drawn open and your heartbeat races. The bathroom door never did have a functioning lock in this inner-city apartment, but your mom and stepfather had stopped fighting, and you thought it was safe to have a Saturday morning shower. Why did he do that, when she wanted to be a good girl? Why didn't her lips move, or her hands press against those muscular arms covered in prison tattoos at least once, are questions we can ask from a distance and not with a mother just outside the door with no intention of coming to her rescue. Now young Natalie does things for money, crumpled up notes for bone jarring acts of humiliation to escape from the home where it all began, but of course, the memory remains. Can a girl like this ever really escape? Raw and Brutally Realistic Tale without the promise of a Happy Ending for so many young girls out there caught in a similar cycle of confused thoughts and never-ending pain.
