Bordeaux & The Pyrenees: A Bicycle Your France E-Guide

Synopsis

This guidebook spotlights routes around Bordeaux, the Garonne Canal and the Pyrénées in the southwest of France. There are 16 cycling routes mapped and profiled. The guide includes 53 thoughts on some villages, a canal, rivers, historical people and points of interest along the way. Included with each route is the latest method for listing Waypoints that locates its longitude and latitude in degrees, minutes and seconds (to the hundredth), and in digital format. Elevation data was acquired every 200 meters on each route for its profile. As with all other BICYCLE YOUR FRANCE guidebooks, this guide also offers a companion, QUEUE SHEETS, with just the Waypoint GPS located listings, route maps and elevation profile. Details: English; 16 color route maps; a color overview map; 197 color photographs and illustrations. In addition to the Kindle format, this guidebook and the Queue Sheets are available in print and in the Adobe Digital Editions for Apple iPad devices. Graphics and photographs are presented in 800 by 1260 pixels appropriate for the 7" and 8.9" Kindle Fire HD. You can handle any and all of these sixteen routes, from the highest paved road in the Pyrénées to the flat woods through the Massif. It all depends on your lungs, thighs, patience and proper selection of grandparents. All the routes are through the Aquitaine Region of southwest France with its extraordinary history. The jagged, snow-capped peaks of the Pyrénées are breathtaking, physically and emotionally. But this great range is very approachable. In addition to the routes way up four mountain passes, two routes utilize the Piste Cyclable Roger Labadie, and four routes follow the cycle path along the Canal de Garonne. Visit Eleanor of Aquitaine's city of Bordeaux, King Henry IV's chateau in Nérac, ask about Richard the Lionheart's chamber overlooking the Eymet central square, and walk around the last battle of the Wars of Religion in Castillon-la-Bataille. Then throw in Castillon's, Agen, Villeneuve-sur-Lot, Pau and Oloron-St-Marie. This becomes a journey through the Middle Ages. Basic data are included on selecting a community, finding and renting a gîte, bringing your bike or renting a good one, having or renting a vehicle, driving in France, what to bring, buying groceries and something on restaurants. With each new guidebook I become more convinced that the best way to engage totally with a region is to bicycle it. Get out there you cycling pilgrims. - - - If you have any questions or comments on this area of France, please contact me here in Florida USA (I travel for the next guidebook in the spring) at wjmoore@tampabay.rr.com or also on Facebook (Walter Judson Moore).
