The Bible is nothing if not eminently practical. Its teachings are relevant, and, when applied to the tough issues of life, its principles have a renewing effect found nowhere else. In fact, we're told in 2 Peter 1:3-4 that the Bible contains all we'll ever need to live Christlike lives in the here and now. The challenge comes in knowing where to turn when the pressure is on. When you need specific guidance regarding a compelling issue, it helps to have a reservoir of life-related truth stored up for instant access. In the TMS: Life Issues collection, you'll find more than seventy passages of Scripture dealing with the pressing issues of daily life. By learning how to commit them to memory and reflect on them during times of need, you'll discover within you a new and growing source of strength that will uphold you when temptation strikes and provide guidance in times of decision. Now updated to include Scripture memory in NIV, NASB, KJV, NKJV,

ESV, and NLT. So when the realities of life leave you looking for answers, turn to the Word. Only the truth has the power to set you free. The TMS: Life Issues collection includes: 1) Anger, Calvin Miller 2) Knowing God's Will, Warren and Ruth Myers 3) Self-Image, Ralph Ennis 4) Dealing with Sin, Jerry Bridges 5) Guilt, Charles Stanley 6) Perfectionism, Lois Easley 7) Suffering, Joni Eareckson Tada 8) Depression, Geoff Gorsuch 9) Sex, Stephen A. Hayner 10) Money, Steve Thurman 11) Stress, Charles E. Hummel 12) Love, Ted W. Engstrom

Internationally, more than 4,600 Navigator staff of 70 nationalities serve in more than 100 countries.

I love this product. It was recommended by my pastor. There are several different products from the Navigators but I have really enjoyed the Life Issues because it is very applicable to problems in every day life. It has a section on anger, a section on depression, perfectionism, knowing God's will, and a host of current topics that are helpful. The memory cards are great and you can choose from one of the 6 translations that you want to memorize. The memory cards are from the KJV, NASB, NIV, NKJV, ESV and the NLT. They come with a small plastic carrier that holds several cards and it has a clear pocket on the outside of the carrier for the scripture that you are working on that day. It is easy to pull out and review. I highly recommend it.

It has great pointers and a lot of support in many different ways as to how to about memorizing verses. The only reason it doesn't get a 5 star is because it doesn't really give you a systematic and guiding approach as to how to memorize scripture, it just kind of gives you the tools (great tools) and sends you on your way to memorize them. I'm the kind of person who really needs to be guided systematically when learning something. For example, if it had like a weekly plan to have you read and sat about the verse 7 times a day, then a brief quiz at the end of the week to follow up, that would be great. I was expecting something more along the lines of that.

Deceptive advertising--this package is usually sold as an "all inclusive"--there are books and memory cards sold as a unit--this contains only the book rendering it essentially useless--description should have read "book only"--purchased at a higher price from a reputable dealer and it contained both

Great card system to help you memorize scripture.

I really like this product, except that it is a little card to get the cards out of the perforated pages.

Excellent Bible Memory System - choice verses that speak volumes about the life issues Christians regularly face.

There are lots of these kinds of Bible memory systems. I thought this one was clear, easy and useful. Well thought out. Worth a try.

This is a great program.
