Honduras 1:750,000 & Tegucigalpa Travel Map

Synopsis

Honduras at 1:750,000 on a single-sided, indexed road map from ITMB with a large street plan of Tegucigalpa. Altitude colouring plus spot heights show the country's topography, with graphics indicating swamps and coastal coral reefs. Special nature areas are prominently highlighted and graded into national parks, protected areas, biological reserves, wildlife refuges, national forests and anthropological reserves. The map shows the country's road network, indicating gravel roads and including selected tracks, with distances shown on main routes and locations of fuel supplies marked. Railway lines and ferry connections are included and local airports are marked. The map also shows the country's internal administrative boundaries with names of the departments. Various places of interest are highlighted, many annotated with brief descriptions. Latitude and longitude lines are drawn at 1° interval and the map has an extensive index. Also provided is a large inset with a street plan of central Tegucigalpa, naming streets within the city centre and the surrounding barrios and colonias. The plan highlights various facilities and places of interest, including selected hotels and restaurants, embassies, bus and coach stations, etc.
