# Paint By Sticker: Music Icons: Re-create 12 Classic Photographs One Sticker At A Time!

## Synopsis

Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker book includes everything you need to create twelve vibrant, full-color "paintings." The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next... as an activity that's utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a "painting" come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker: Music Icons brings us face-to-face with Elvis, The Beatles, Beyoncé, David Bowie, Cher, Prince, Michael Jackson, Kurt Cobain, Madonna, Nina Simone, Dolly Parton, and "Weird Al" Yankovic.

I really enjoy this book series. I have purchased three so far, and each one is unique in its own special way. It is very relaxing to simply peel and stick and see a colorful picture emerge before your eyes. The book is very sturdy, so you do not need anything hard to press down on (I often do it in my lap), and the pages (stickers and images) are all perforated, and very easy to remove. I've never had a page rip while tearing it out. I did have to deduct one star because occasionally the stickers are difficult to remove as some of the cuts are not complete, causing the sticker to rip (see attached photo for example). But I did find a good solution. If you have an exacto knife, or even a sharp box cutter, just run it lightly along the edges of the problematic stickers, and they will pop right out. Just be careful not to cut your fingers!

So awesome!!!! The best in the series so far!!! I love the musicians chosen. I can't wait for the next paint by sticker to come out. I hope they do another music icons with even more great musicians.

I can't believe how much I've enjoyed completing each page of this Music Icon Paint by Sticker book. Much more satisfying than coloring books but seems to be similarly relaxing. I highly recommend these books. I bought them as gifts for several people, ages ranging from 10 to 72, and they all seem to love them. Can't wait to order more.

Just AWESOME. Only giving 4 stars due to some content that I didn't think belonged and a couple that I definitely thought were missing from a "music icon" title.

such a fun way to keep my hands busy while watching tv. This is my fourth book by the publisher. I mean a sticker David Bowie?! How awesome!

The gf loved it. She has all of these.

AAA+

I'm new to color by stickers and it's a great pastime. But I found that some of the stickers were not scored properly so when I lifted them from the sticker page, they tore, some of the completely in

half. It was disappointing for that to happen.
